*From the Pastor's Desk*

Today we will receive a special offering for the Greater Orlando Baptist Association. Our church has always been one of the key churches in GOBA; in fact, our church often hosts meetings for the association. We believe in the ministry of GOBA and I have the privilege of serving as an officer in the association. Dr. Bill Faulkner, GOBA's Director of Missions, grew up in Delaney Street, met his wife, Brenda here, served as our interim pastor and his parents are still faithful members of this church.

GOBA has been hit hard by the nationwide financial decline and through no fault of their own, their budget has a serious shortfall. We want to join other GOBA churches today, July 12, in responding generously to this need with a special love offering for the Greater Orlando Baptist Association. Thank you!

~Pastor Jim
